Appointment of Hobli Midwives in the District,.

Adverting to the observation made by Government in their order No.L.5465-50/L.B.153-28-12 dated 19th July 1929 under "D, Conservancy and Sanitation Establishment" stating that the amount of Rs.2,590/- provided in the Budget should not be utilized before obtaining sanction of Government, I have the honour to inform that on enquiry the District Medical Officer informs in his letter No.789 dated 5th August 1929 (copy enclosed) that sanction of Government has been accorded to the appointment of two midwives, one at Akkur and another at Dodbelavangala and he has suggested the names of places where the other midwives have to be entertained. The Board have on more occasions than one resolved that each hobli should be provided with a midwife. In persuance of that resolution they intend appointing these midwives in ten places this year. The Board are of opinion that the services of midwives are very much needed by the rural population. In these circumstances I request you to be good enough to move Government to accord their sanction for the entertainment of ten midwives in the District during 1929-30.
